COMMUNITY RALLY TO STOP WIENER'S 4 A.M. BAR BILL AT CO-AUTHOR MIGUEL SANTIAGO'S DISTRICT OFFICE

LOS ANGELES, CA (June 26, 2019) –Members of [California Alcohol Policy Alliance](#) will hold an opposition rally at the district office of Assemblymember Miguel Santiago, co-sponsor of SB 58 – the 4 a.m. bar bill. The community is concerned that because Assemblymember Santiago has received direct campaign contributions from the alcohol industry, from corporations such as Anheuser-Busch, 7-Eleven Inc., and the California Beer & Beverage Distributors, their [public health and safety](#) is being compromised. SB 58 is Senator Wiener's third attempt in three years to disrupt the protections of a statewide uniform last call by giving 10 cities in a "pilot program" the ability to extend hours of alcohol sales in bars, restaurants and clubs. The community members are using the rally as a call to action to Assemblymember Santiago to better represent the children and families of the 53rd Assembly District.

What: Rally / Media Event

When: Thursday, June 27, 2019, 10:00-11:00am

Where: 320 West 4th Street, Los Angeles, CA 90013

Who:

- CA Alcohol Policy Alliance (CAPA)
- Mothers Against Drunk Driving (MADD)
- Madres Que Luchan
- Los Angeles Drug and Alcohol Policy Alliance
- Pueblo y Salud
- The Wall Las Memorias
- Coalition to Prevent Alcohol Related Harms in LA Metro (CoPalm)
- Behavioral Health Services

Why:

SB 58 would allow closing times for on-sale retailers to be extended from 2 a.m. to 4 a.m. as part of a "pilot program" conducted by the ABC. The pilot program may be conducted in ten cities: San Francisco, Oakland, Sacramento, Los Angeles, West Hollywood, Long Beach, Cathedral City, Coachella, Palm Springs and Fresno.

According to the Center for Disease Control (CDC), California already suffers more annual alcohol-related harm than any other state: over 10,500 alcohol-related deaths, \$35 billion in total costs, \$14.5 billion in state costs.

Alcohol Justice and the California Alcohol Policy Alliance have taken a strong OPPOSE position on SB 58 and respectfully ask that this dangerous nightlife experiment be stopped. *California taxpayers do not need to pay for additional public health and safety harms in order to profit the nightlife industry.*

SB 58 Quick Facts

- Is a poorly conceived and inadequately funded pilot project
- Strips away uniform protections of 2 a.m. last call

- Costs the state at least \$3-4 million per year to administer, mitigate the harm, and clean the blood off the highway; costs cities and towns in “Splash Zones” millions more
- Disregards 40 years of peer-reviewed, public health research on the dangers of extending last call
- Ignores \$34 billion in annual alcohol-related harm in California
- Subsidizes and rewards late-night alcohol-sellers at tax-payer expense
